

- 3 BEDROOMS
- 2 BATHROOMS
- 1,690 SQ. FT. LIVING

This contemporary ranch style home has the classic open living and dining area with an entrance to the peaceful backyard with gorgeous maple tree, beautiful landscaping, a fire pit and a hot tub. The open floor plan with beamed dramatic ceiling and abundance of natural light create a light filled joyous interior for your own enjoyment. The adjacent remodeled kitchen with ample storage is open to a family area making conversations and participation in meal preparation commonplace.
