

The spacious master bedroom is light filled with windows on two sides and a bright light filled master bath on the third.

The master bath has two separate hardwood vanities each with its own easily cleaned solid surface top and sink. It also has a soaking tub and a separate glass enclosed shower.

The large formal living room has a hardwood floor, space for a formal dining area, windows on two sides, and a lovely staircase at the end leading upstairs to the bedrooms.

The bedrooms are good sized, have carpeted floors, and plentiful light.
