

The living room has a vaulted ceiling, a fireplace with glass doors, opens to a sheltered balcony and separates the two bedrooms.

The dining area is adjacent to the kitchen, has a view out the front of the condominium and is open to the living room.

The carpeted second bedroom is good sized and has a penthouse view of the neighborhood.

The spacious master bedroom has a carpeted floor, two closets and a multi-paned door opening to a balcony.

The master bath has a vanity with two sinks and a glass doored shower over tub.
