

881 Parma Way, Los Altos 94024

Newer | 5BR/4+BA | 5,186 sf | 11,326 sf lot

This large, beautiful, recently built home features a large kitchen, a breakfast area, a dining room, a living room, an office, a family room, a theater, a small wine cellar, a second family room with cabinets, counter space, and a sink adjacent to the theater, five bedrooms, four full baths, two half baths, and utility rooms.

The beautiful and spacious kitchen has a professional style range with two ovens. A center island with a butcher block top provides an efficient food preparation area.

Family areas are at the back of the home and have views of the large backyard and treelined creek bed.

Consistent attention to details and space to meet many diverse needs make this home a wonderful home for your family.
