

150 Hazel Ave, Millbrae 94030

3BR/2.5BA | 1,410 sq. ft. | 6,000 sf lot | Zoned R2

This lovely home can be yours. Walk to downtown Millbrae or to the Green Hills Country Club.

The property is zoned R2. Although several neighbors have built a second home, this property has only a single home and a large back yard. Building a second home could create a large equity for you and rental income.

Currently the back yard has a number of fruit trees.

If a second home were built in the back yard, the garage at the side of the house could be removed leaving ample room for a driveway to reach behind the front house.
