

Entering this beautiful home you are greeted with a high ceiling, wood floored, living room opening to a large private patio. A stone fireplace adds to the warm welcoming ambiance

The 3rd floor master suite keeps you comfortable with a carpeted floor. The naturally lighted bath has a stone tile floor and unique translucent vanity counter top.

The spacious west facing private patio, shaded by tall redwood trees, is the perfect place to relax.

The second bedroom also has a bath en-suite. It has a balcony offering an upper level view.

The den / 3rd bedroom overlooks the living room.
