

The living area is complete with high vaulted ceilings, a cozy red brick fireplace and opens out to the dining area. The tall, framed glass windows fill this wonderful home with ample natural lighting. Feel free to choose your ideal flooring!

The kitchen features lovely oak cabinets, tile countertops, an electric range and dishwasher. Don't miss the lovely view of the backyard from the garden windows!

All bedrooms have views out over the back yard. Stained wood closet doors and stained wood window molding provide a warm luxurious touch.

The master bedroom has its own balcony area with sliding glass doors and overlooks the large backyard. Natural light also comes in from a side window.

The master bath has a spacious vanity area. A large shower and toilet are located in a separate room. The walk-in closet is adjacent to the vanity area.
