

1668 S Norfolk St, San Mateo, 94403

4BR/2BA | 1,270 sq. ft. | lot 5,500 sq. ft. | Just Remodeled

This lovely 4 bedroom, 2 bath home has been beautifully remodeled. The open living-dining area gives you maximum flexibility. The kitchen is also open to this area through a large passageway

The living area has a beautiful wood floor and a marble tiled fireplace. Soft light enters from three sides. A large window provides a view of the enclosed front yard.

The beautiful kitchen has luxurious stainless steel appliances, granite counter tops, white recessed panel cabinets and is accented by an antiqued plank wood floor.

This lovely home is located a short walk from Aquatic Park, Trader Joes, Parkside Elementary, and other attractions.

Both the front and back yards are fenced, creating your own private haven.
