

The bright and airy living area looks out over the private back patio. Create your own verdant garden or a simple outdoor dining area.

The smooth surface synthetic stone counter tops make cleaning up after meal preparation easy. The spacious kitchen has plenty of room for multiple cooks and is open to the dining-living area, separated by a low breakfast bar.

The downstairs bedroom can easily be used as an office with a view out to the common area.

The upstairs bedrooms have carpeted floors and plentiful natural light.

The master bedroom with bath en-suite has a shower over tub, dual sinks, and a walk-in closet. Windows look out over the front common area.

The second upstairs bedroom looks out over the back patio and also has a walk-in closet.

The second upstairs bath also has a shower over tub. The laundry closet is upstairs between the two bedrooms.
