

819 Altaire Walk, Palo Alto

The open living area is bright and airy with a glass doors and windows looking out to the fenced back patio. The modern kitchen provides plentiful space for multiple cooks, superb Bosch stainless steel appliances, and easy clean sy-
thetic stone counter tops.

The downstairs bedroom could easily be used as an office with a view out to the front common area. The other two bedrooms are upstairs, have plentiful natural light and carpeted floors. The convenient inside laundry is located between the two upstairs bedrooms.
