

Granite counter tops, stainless steel appliances, gas range, garden window, recessed panel white cabinets, and easy clean linoleum floor all combine to give you beautiful, efficient kitchen large enough for multiple cooks.

A pass-thru between the kitchen and the dining area keeps the cooks in contact with people in the living area and allows the clutter of cooking to be out of view.

The spacious living area has a high vaulted ceiling, skylight, a glass door to the lovely balcony.

The master bedroom has a four door closet, its own bath en-suite with shower over tub, and a view out to the glass roofed court yard.

The second bedroom has a sliding glass door leading out a a lovely balcony and is adjacent to the second bathroom.

The spacious loft can be used as either a 3rd bedroom, an office, or entertainment room. A large closet provides plentiful storage.
