

975 La Mesa Ter #H, Sunnyvale

The open living area + dining area is located on the main floor with windows looking out over the lush common area. A fireplace with an oak mantel and surround adds to the warm inviting ambiance.

One of the most unique features of this townhouse is the top floor with two spacious penthouse bedrooms each with bath-en-suite. These bedrooms and bathrooms have oak floors. Both bathrooms have a glass doored shower over tub.

The kitchen features plentiful counter space and plentiful cheerful white cabinets.
