

## INDOOR/OUTDOOR LIVING WITH TRADITIONAL STYLE

Welcome to this beautiful home that has been well maintained. An ample sized covered front porch gives you plenty of space to sit and enjoy the view of the lovely neighborhood. An open living room greets you upon entering the home. Further inside, the home opens up to a family room, kitchen, and reading room; a perfect spot to entertain guests. Just off the family room, a large covered, partially sheltered patio which opens up to a backyard gives you a wonderful place for outdoor living. The master bedroom includes a walk-in closet and laundry room for convenience.

This single family home is located in a family-friendly neighborhood and a couple blocks away from a park and community garden. It is within walking distance of key schools in the neighborhood (Willow Glen Middle and Presentation High).
