

The main entrance leads to an exquisite open layout complete with gas fireplace, high ceilings, dining area and beautiful attached kitchen perfect for family meals or entertaining.

The three-story design offers excellent privacy with attached bedrooms and bathrooms. Extensive windows provide lots of natural light throughout the entire home. Two large balconies including one off master suite provide additional views of the beautiful grounds.

This **3-bedroom, 3.5-bathroom** townhome is in a serene park-like setting within a short distance to all the conveniences of its central location. Community features include parks, pool and a clubhouse.
