

With a charismatic appearance, this 2 Bed/ 2.5 Bath Three Story Tudor Townhouse has everything needed for an ideal home including new carpet, an updated kitchen, and multiple balconies. Starting from the ground floor, the attached garage provides access to the home via stairs to the middle floor. Once up the stairs, enter into an elegant living room affixed with a fireplace, recessed lighting and access to the first balcony. The formal dining room is accented with hardwood and a few steps through a doorway, enter the kitchen which is touched up with granite countertops and includes a quaint breakfast area. Also on this floor are the half bath as well as the laundry room which has a washer and dryer unit
