

1401 S Wolfe Rd, Sunnyvale 94087

Wonderful open floor plan features a spacious light filled living room with glass walls looking out to the backyard and also out to the atrium. A polished stone slab covered fireplace extends from the floor to the ceiling. Open to the dining room and with the glass atrium doors open, the space is large enough for a huge party.

The remodeled kitchen features luxurious materials which bring out the clean modern design. High partial walls separate the kitchen from the dining room and living room, enabling the cooks to hear activity in the public areas.
