CHARMING RANCH-STYLE HOME

Step inside to the foyer and you are greeted by a light filled living room with oak floor. Straight ahead, down a short hallway, is a cheerful dining room which is open to the adjacent family room. A turn to the left and you are in the short hallway connecting to the four bedrooms.

Behind the family room, which has a cozy fireplace, is a large screened-in patio, providing space for more active or noisier activities to be within eyesight but isolated from quieter activities
