# INVITING WATERFRONT HOUSE

This delightful home embraces you in its bright cheerful open design. High ceilings, skylights, views of a lagoon just outside all create a delightful and unique home for you.

Enjoy sitting in your living room and looking out over the peaceful Redwood Shores Lagoon. Even while you are dining you can look across your living room and watch the lagoon. If you want to enjoy the outdoors, step out through the sliding glass doors and relax on your large deck or even walk down a few steps to your own small boat dock and paddle around.

A spacious well designed kitchen aids meal preparation and lets you gaze out to the lagoon. The wood floor, wood molding, and basket covered pendants add a perfect touch of warmth and color to the cheerful pale pink cabinets and lightly marbled tile counter tops.
