# 2222 RASPBERRY LN | MOUNTAIN VIEW

Walk to cafes and shops. Bicycle to Google. Caltrain is a 1.1 mile walk. Located away from thru streets but with easy access to commute routes, this great Mountain View location puts you in the center of Silicon Valley while still providing a tranquil home.

This beautiful townhouse, at the "far end (one entrance)" of the common area between buildings, has an attractive iron fence around the front yard patio giving you a delightful, tranquil front yard "park". Inside this home, a modern blue and white kitchen provides you with ample space for meal preparation and has a breakfast bar pass-thru separating it from the formal dining area. The formal dining area is open to the living room. The living room looks out over the front yard "park", has a gleaming wood plank floor and a coffered ceiling. The family room, located behind the kitchen, provides separation from the main public area. Two top floor ample sized bedrooms are on opposite sides of a bathroom. The laundry closet is also upstairs. The primary bedroom with bath en-suite is on the ground floor with a window looking out to the front yard patio.
